

Plugging in to the header on the boards with a rigged up ribbon cable. Pre-crimped, male/female ribbon was very cheap via Amazon.

THIS INSTRUMENT MAY BE MANUFACTURED UNDER ONE OR MORE PATENTS IN ONE OR MORE OF THE FOLLOWING COUNTRIES: AUSTRALIA, BELGIUM, CANADA, DENMARK, FRANCE, GREAT BRITAIN, INDIA, ISRAEL, ITALY, JAPAN, SWEDEN, SWITZERLAND, THE NETHERLANDS, WEST GERMANY AND THE UNITED STATES. PATENT NUMBERS PROVIDED ON REQUEST. SONY/TEKTRONIX CORPORATION

SERIAL NO.
306934

Temporary strain relief for the pins. They're all single pins and pretty fiddly.
